WOD Series-UL Listed

WOD-30DDC-UL50

Made in America

Believing in American
Craftsmanship

Why Choose the WOD Series-UL Listed?

The WOD-30DDC-UL50 enclosure is the pinnacle of enclosures. With a fully welded chassis, heavy duty vulcanized gasketing and years of design and engineering behind it, you will find this will meet the most stringent requirements of the UL-50E Type 4 listing. Fully tested by a third party Nationally Recognized Testing Laboratory and listed to the UL-50E standard, you can trust that the WOD UL series will pass any test or inspection it faces. Designed with public safety requirements in mind, these units can be placed in mission critical locations where communication or sensitive gear needs to be protected regardless of the situation. As with the standard WOD series, the WOD-UL series comes with standard 3 point locking, front and rear access with integrated wind locks, top mounted solar shield, adjustable R-strut racking, reversible 19" or 23" EIA racking, Alumiflex construction and our unmatched 15-year warranty. Moreover, there is an extensive list of optional accessories including HVAC units, electrical panels, and cable entry solutions to name a few. No matter the application, DDB provides cutting-edge design, competitive pricing, benchmark lead times, and guaranteed delivery. Whether you require a custom enclosure or something from our substantial stock, our professional staff is here to help you today.
